WEEK AT A GLANCE

THE WRIGHT WAY LEADERSHIP GROUP

COMPONENT OF HQI / CONTENT		MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
CLEAR LEARNING TARGET	<i>Today's Learning Target and Success Criteria: Students will know they have learned it when they can...</i>					
RIGOROUS & RELEVANT TASK	<i>What will students do today? Analyze, Debate, Write, Design, Solve, Create, Explain, Other. Why is this cognitively demanding and worth doing? Connections: Real life, Future learning, Authentic learning.</i>					
CHECKS FOR UNDERSTANDING	<i>Before learning, how will I determine prerequisite knowledge and readiness? Quick write, Poll, Retrieval, Discussion, Other. During learning, what evidence will I collect? Whiteboards, Cold call, Conferencing, Student discussion, Digital response, Other.</i>					
RESPONSIVE INSTRUCTION	<i>If students struggle, what will I do? If students master quickly, how will I extend learning? Misconceptions to monitor.</i>					
STRONG INSTRUCTIONAL CULTURE	<i>What routines or structures will maximize learning today? Partner talk, Think time, Academic discourse, Group roles, Class norms, CHAMPS. How will every student engage?</i>					
EVIDENCE OF STUDENT LEARNING	<i>After learning, what evidence should exist by the end of today's lesson? Student writing, Discussion evidence, Problem solving, Performance task, Lab, Work product, Exit ticket, Home learning. What will I collect and analyze, and how will I use it tomorrow? What feedback will be given?</i>					

WEEKLY REFLECTION / PLC DISCUSSION

THE WRIGHT WAY LEADERSHIP GROUP

REFLECTION QUESTION	PLC RESPONSE
What knowledge has been building this week?	
What understandings are being developed?	
What evidence is demonstrating mastery?	
What misconceptions emerged?	
What standard(s) or parts of the standard need reteaching?	
Which students need intervention?	
What is the plan for intervention (Tier 2 and Tier 3)?	
Which students need enrichment?	
What is the plan for enrichment?	
Which instructional moves worked?	
What instructional adjustments will I make next week?	
What are next week's instructional priorities?
